

JASWANTH BANDLA

PRODUCT MANAGEMENT | AI PRODUCT MANAGEMENT

8555820670 | jaswanthbandla06@gmail.com | Andhra Pradesh, India

PROFESSIONAL SUMMARY

Product Management candidate with a Computer Science background and hands-on experience building three end-to-end product portfolio projects across fintech, wellness, and AI/product experiences. Practiced product discovery, problem framing, user journeys, JTBD, product strategy, MVP prioritization, PRDs, UX flows, prototyping, product metrics, roadmaps, and AI product thinking. Brings customer-facing financial-services experience and cross-functional coordination from the housing finance sector.

PRODUCT PROJECTS

AERIS — AI-Powered Product Management Platform

Independent Product Management Project | 2026

- Defined the product problem, target users, solution direction, MVP scope, product requirements, UX flows, metrics, and roadmap.
- Built and documented an end-to-end product concept and functional web experience.
